On-Site Security training

Course	Duration	Main Topics	Fees	Types of Training
Secure Coding for Distributed Environment	1 day	• Preparing to Write Secure Code • Secure Coding Principles • Secure Coding Practices • Secure Memory and Cache Management • Secure Error and Exception Handling • What To avoid	• $3,000 (plus travel) for up to 12 students. • $4,000 (plus travel) for 13-25 students. • $5,000 for 26-50 students.	• Fees quoted for classroom training on-site • Distant-Instructor training is available for $4,000 for up to 50 students
Data Analysis concepts for Internal Auditors	1 day	• Benefits of Analytics • Define Analytics lifecycle • Analytics methodology • Integrating Analytics within Internal Audit • Analytics tests within Internal Audit	• $3,000 (plus travel) for up to 12 students • $4,000 (plus travel) for 13-25 students. • $5,000 for 26 students or more.	• Fees quoted for classroom training on-site • Distant-Instructor training is available for $4,000 for up to 50 students
ACL Concepts for Internal Auditors (Beginner)	3 days	• Tool Navigation • Basic commands • File definitions • Scripting • Documentation	• $9,000 (plus travel) for up to 12 students • $12,000 (plus travel) for 13-25 students. • $15,000 for 26 students or more.	• Fees quoted for classroom training on-site • Intermediate and Advanced training also available.
Auditing RACF Environment	4 Hours	• RACF concepts • SETROPTS audit • RACF audit reports • Audit program for RACF • Auditor commands	• $1,500 (plus travel) for up to 12 students. • $2,500 (plus travel) for 12-25 students • $3,500 for 26-50 students	• Assumption is that another 4 hours of class is taught same day • Distant-Instructor is available for $2,500 for up to 50 students.
Coding in RACF Environment	4 Hours	• SAF concepts • RACF Macros • Programming for authentication • Programming for authorization • Programming in CICS	• $1,500 (plus travel) for up to 12 students. • $2,500 (plus travel) for 12-25 students • $3,500 for 26-50 students	• Assumption is that another 4 hours of class is taught same day • Distant-Instructor is available for $2,500 for up to 50 students.
Security and Management of Smart Devices	4 Hours	• Security features in Apple's IOS • Security features in Google's Android • Mobile Device Management (MDM) concepts • MDM solutions – case study	• $1,500 (plus travel) for up to 12 students. • $2,500 (plus travel) for 12-25 students • $3,500 for 26-50 students	• Assumption is that another 4 hours of class is taught same day • Distant-Instructor is available for $2,500 for up to 50 students.
Auditing Security of Smart Devices	4 Hours	• 12 Step approach to auditing the security of smart devices	• $1,500 (plus travel) for up to 12 students. • $2,500 (plus travel) for 12-25 students • $3,500 for 26-50 students	• Assumption is that another 4 hours of class is taught same day • Distant-Instructor is available for $2,500 for up to 50 students.
Securing Wireless Environment	4 Hours	• Wireless Protocols • Security Framework • Wireless Protocols • Wireless Architecture • Security Requirements • Security Policies • Wireless Assessments • Tools	• $1,500 (plus travel) for up to 12 students. • $2,500 (plus travel) for 12-25 students • $3,500 for 26-50 students	• Assumption is that another 4 hours of class is taught same day • Distant-Instructor is available for $2,500 for up to 50 students.
Securing IT Infrastructure	8 Hours	• Security Framework • Infrastructure Security Requirements • Advanced Persistent Threat • Network Security Policies • MS Windows Server Security Policies • Linux Security Policies • Security Standards • Compliance	• $3,000 (plus travel) for up to 12 students • $4,000 (plus travel) for 13-25 students. • $5,000 for 26 students or more.	• Fees quoted for classroom training on-site • Distant-Instructor training is available for $4,000 for up to 50 students
Database Security	8 Hours	• Security Framework • Database Security Requirements • Database Risks • Database Security Policies • OWASP • Secure SDLC • Centralized Authentication	• $3,000 (plus travel) for up to 12 students • $4,000 (plus travel) for 13-25 students. • $5,000 for 26 students or more.	• Fees quoted for classroom training on-site • Distant-Instructor training is available for $4,000 for up to 50 students
